Background

Verónica Ferrando graduated from the I.F.P. Maria Ibars de Dénia (Alicante) in 1998 with a degree in Administration and has had a varied and rewarding career. Her career in the property sector stands out, where she has worked in the management of property offers and in administrative and accounting functions in office automation companies.

She has a solid background in the judicial sector, where she worked for over 10 years in close collaboration with lawyers and notaries to manage court proceedings, file pleadings, monitor cases, etc. These activities have provided her with a deep understanding of legal and administrative processes as well as communication skills that serve her well in drafting pleadings and communicating effectively.

Expertise

Verónica Ferrando works in our tax advisory department.

Her tasks include providing support with administrative tasks in tax consultancy for companies and private individuals. She is also responsible for the preparation and submission of tax returns and tax assessments, file management and other administrative tasks.
